

MENTOR MOMS

We Need You!

We are currently seeking volunteers for our MOPS program during our meetings most 1st & 3rd Mondays during the school year from 9:15 am until 11:30 am.

MOPS is a Christian ministry seeking to connect moms from all around the world to a community of women in their neighborhood, who meet together to embrace the journey of motherhood. The goal of MOPS is to encourage and equip moms of young children to realize their potential as mothers, women, and leaders, in relationship with Jesus, and in partnership with the local church. MOPS Mentors is one of the keys to a healthy, thriving MOPS group.

MENTOR MOMS NEEDED

MOPS is a volunteer ministry that engages in relationships with other moms. Mentoring helps moms. You don't have to be a Bible scholar or a senior citizen to be a mentor Mom. You only have to love the Lord and have seen Him at work in your life, and be willing to share this with someone. God instructs us to invest in the next generation—they are the future of the church!

The Mentor Mom's Role:

- A mentor is someone who walks a few steps ahead of us. At MOPS, she brings perspective on mothering, womanhood and relationships—all based on biblical principles and her own life experiences. Through group meetings and one-on-one relationships, she communicates with vulnerability and honesty. She provides a foundation for acceptance, trust and a safe place to grow. She is a cheerleader, a comfort, and a living testimony that it is going to be okay.
- The MOPS Mentor is a mature woman who has a personal relationship with Jesus Christ. She is able to mentor mothers of young children, not because she has all the answers, but because she has put herself under God's care. As one who has experienced many of the challenges mothers of young children now face, she offers encouragement and hope. A MOPS Mentor is willing to share her failures, as well as her successes, in a loving and encouraging way.

The Mentor Mom's Responsibilities:

- Attend MOPS meetings: — regularly plan, attend, participate (approximately twice a month).
- Attend training whenever possible — monthly leadership meetings for training and planning, and yearly MOPS International training events.
- Engage — observe moms in your group and reach out when there is a need for love, a listening ear or a hug, pursue a deeper, more personal relationship with a mom in need.

Mentor Mom's Desired Qualifications:

- An existing and growing personal relationship with Jesus Christ.
- Desire to love, build a relationship with, and grow close to MOPS moms.
- Willingness to participate in provided trainings.
- All children are at least 6 years old (1st grade) or older.
- Willingness to make a minimum of a one-year commitment to attend MOPS.

Benefits of Serving as a Mentor Mom at MOPS:

- You will continue to grow in your relationship with God as you listen to and trust His leading.
- You get to put your faith into action! You will make new friends!

Join us for our 2016-2017 MOPS season! We would love to have you!
